AI-INTEGRATED TEACHING PRESENTATION

Mr. Dewakar Sir and Mr. Amrit Sir participated in a professional learning session at **Salwan Public School, Tronica City**, where they presented innovative teaching practices involving the integration of **Artificial Intelligence (AI)** tools in education.

The presentation was successfully delivered and received appreciation from the Resource Person, who highly praised the quality of the content and the effective integration of AI tools into teaching methodologies. The other participants also appreciated the innovative tools and teaching approaches demonstrated during the session.

The positive feedback and appreciation made the experience highly motivating and encouraged the presenters to further develop and refine AI-based teaching resources for future classroom use.

The presentation also highlighted the importance of teamwork and collaborative learning. Both presenters actively contributed to making the session well-structured, informative, and impactful.

Overall, the session was a valuable and enriching experience that encouraged the use of innovative, technology-enabled teaching practices in the classroom.

BUTTERFLY LIFE CYCLE ACTIVITY

Activity: Butterfly Life Cycle
Conducted by: Mrs. Manpreet Kaur
Venue: Delhi Public World School, Subhanpur

An engaging activity on the **Life Cycle of a Butterfly** was conducted by **Mrs. Manpreet Kaur** to help students understand the different stages of a butterfly's development in an interesting and interactive manner.

During the activity, students learned about the four major stages of the butterfly life cycle: Egg, Caterpillar (Larva), Pupa (Chrysalis), and Adult Butterfly. The activity used creative teaching methods and visual aids to make the concept easy to understand and memorable for the students.

Students actively participated in the activity and showed great enthusiasm while identifying and arranging the different stages in the correct sequence. The hands-on approach helped them develop better observation skills and understand the process of transformation in nature.

Overall, the activity was informative, interactive, and enjoyable, providing students with a meaningful learning experience while developing their curiosity and appreciation for the natural world.

Inter-House Football Championship

Our Inter-House Football Championship brought the school campus alive with energy, excitement, and unforgettable moments. The event witnessed enthusiastic participation from students representing different houses, showcasing their teamwork, discipline, determination, and sporting spirit.

Every goal scored, every pass made, and every save demonstrated the players' dedication and competitive spirit. The matches were filled with thrilling moments, while the players displayed excellent coordination and respect for their opponents.

The championship provided students with a valuable opportunity to develop leadership, teamwork, confidence, and sportsmanship. The enthusiastic support from fellow students and teachers further added to the excitement of the event.

Story Telling Competition

A Storytelling Competition was organized for the students of Class I by **Mrs. Manpreet Kaur** to enhance their **confidence**, **speaking skills, imagination, and creative expression.** The young participants took part with great enthusiasm and excitement. Each child narrated a beautiful story using appropriate actions, voice modulation, expressions, and gestures, making the presentations lively and engaging. The event provided an excellent platform for students to overcome stage fear and express themselves confidently before an audience. Their creativity, enthusiasm, and storytelling abilities were truly appreciable. It was a delightful experience to watch the little storytellers captivate everyone with their imaginative stories. **The competition successfully encouraged students to develop communication skills while making learning enjoyable, interactive, and meaningful.**

Taekwondo Competition Achievements

We are proud to share the outstanding achievements of our students in the **Taekwondo Competition**. Their **hard work, dedication, discipline, and determination** brought **great honour to the school.**

Kanak Baisla – 🥇 Gold Medal
Chaitanya Mishra – 🥈 Silver Medal
Sahzad – 🥈 Silver Medal
M. Anik – 🥉 Bronze Medal
M. Abuzar – 🥉 Bronze Medal

All the students displayed remarkable **sportsmanship, confidence, and fighting spirit** throughout the competition. Their impressive performances are a testament to their consistent practice and commitment to excellence. **We congratulate all the medal winners on their remarkable success and wish them continued achievements in future competitions. Their accomplishments are a source of great pride for the school, teachers, and parents.**

Happy 80th Independence Day!

Today, we proudly celebrate 80 years of India's Independence, honouring the courage, sacrifices, and unwavering spirit of our freedom fighters. ✨

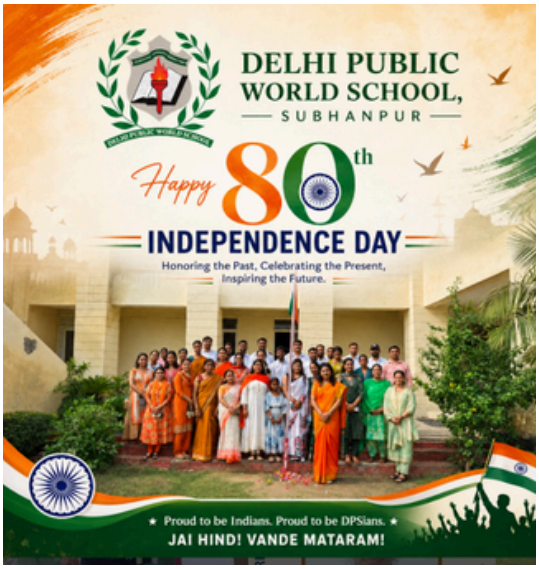
Let us remember their invaluable contribution and uphold the values of freedom, unity, equality, and harmony that continue to shape our nation.

As educators, let us nurture young minds with knowledge, compassion, responsibility, and patriotism so that they grow into responsible citizens who contribute towards building a stronger, brighter, and more progressive India.

Let us celebrate the spirit of our nation with pride and gratitude.

Proud to be Indians! 🇮🇳❤️🤍💚

Jai Hind! 🇮🇳



Fancy Dress Competition

A Fancy Dress Competition was organized for the Primary Section students of Classes I–V. The children participated enthusiastically in **colourful and creative costumes.** They portrayed different characters and themes with **confidence, expressions, and dialogues.** The event enhanced their **creativity, imagination, communication skills, and stage confidence,** making it an enjoyable and enriching learning experience.

Workshop: Awareness of AI in Daily Life

A workshop on **"Awareness of AI in Daily Life – Usage and Misuse"** was organized by **Ratna Sagar Publications** to create awareness among students about the growing role of **Artificial Intelligence** in everyday life. The session focused on the practical uses of AI in **education, communication, learning, and other daily activities.** Participants were also made aware of the possible misuse of AI, including misinformation, privacy concerns, overdependence, and irresponsible use of technology. The workshop was informative and interactive, helping students understand the importance of using AI responsibly, ethically, and safely. **It encouraged them to make informed choices while using AI tools and highlighted the need to balance technological advancement with human values and critical thinking.**

A picnic to KidZania

A picnic to KidZania, Noida was organized for the students of Classes Nursery to IV. The visit provided students with an exciting opportunity to learn through hands-on activities, role-play, and real-life experiences in a fun-filled environment.

The students participated enthusiastically in various activities and explored different professions and responsibilities. The experience helped them develop confidence, creativity, teamwork, decision-making skills, and practical understanding of the world around them. The children thoroughly enjoyed the interactive activities and spent a memorable day with their friends and teachers. The picnic successfully combined learning with entertainment, making it an enriching and enjoyable experience for all the young learners. Overall, the KidZania visit was a fun, educational, and memorable learning experience for the students of Classes Nursery to IV.

WELCOME

Students enthusiastically participated in activities such as firefighter rescue, doctor and hospital role-play, cooking, banking, shopping, police activities, and other professional role-plays. These activities helped them understand different professions while developing confidence, teamwork, communication, decision-making, and problem-solving skills.

The children thoroughly enjoyed the interactive experiences and learned important life skills in a fun-filled environment. The visit successfully combined education with entertainment, making it a memorable experience for all.

the KidZania picnic was an educational, engaging, and enjoyable learning experience for the young learners.

Picnic to Adventure Island!

A picnic to Adventure Island, Rohini was organized for the students, providing them with a wonderful opportunity to enjoy a day filled with fun, adventure, and excitement. The students enthusiastically participated in various rides and recreational activities, including thrilling rides, water attractions, games, and other fun-filled activities.

The picnic encouraged students to spend quality time with their friends and teachers while developing team spirit, confidence, and a sense of adventure. The students enjoyed every moment of the trip and created many happy memories together.

A delicious lunch was also arranged for the students, adding to the enjoyment of the day.

Overall, the visit to Adventure Island was a fun-filled, refreshing, and memorable experience, combining entertainment, friendship, and joyful learning outside the classroom.

Art Competition

An **Art Competition** was organized by **Sandeep Sir** to encourage students to explore their **creativity and express their ideas through art**. Students participated with great enthusiasm and showcased their imagination through colourful drawings, creative artwork, and unique artistic expressions.

The activity provided students with an opportunity to develop their creativity, concentration, imagination, and artistic skills. The participants *enjoyed the process of creating their artwork and demonstrated great interest and enthusiasm throughout the competition.*

Overall, the Art Competition was a creative, engaging, and enriching experience, encouraging students to appreciate art and express themselves confidently through their imagination and talent.

An Art Competition was **organized by Sandeep Sir** to encourage students to explore their creativity and express their ideas through art. Students participated with great enthusiasm and showcased their imagination through colourful drawings, creative artwork, and unique artistic expressions. ***The prize distribution ceremony was conducted during the morning assembly, where the Principal Ma'am felicitated the winners and appreciated their creativity, talent, and enthusiastic participation.***

Wrokshop on Integreated classroom

A Workshop on **“Integrated Classroom”** was organized to **enhance teachers’ understanding of effective and inclusive classroom practices**. The session focused on creating a learning environment where students with different learning needs, abilities, interests, and backgrounds can participate actively.

The workshop highlighted the importance of collaborative learning, activity-based teaching, differentiated instruction, technology integration, and student-centred approaches. Teachers were encouraged to use innovative strategies and appropriate teaching resources to make lessons more engaging and accessible for every learner.

The interactive session provided valuable insights into managing diverse classrooms and promoting inclusion, participation, creativity, and equal learning opportunities.

Overall, the workshop was an informative and enriching professional development experience, helping educators strengthen their classroom practices and create a more supportive and integrated learning environment.

Krishna Janmashtami Celebration

The school celebrated Krishna Janmashtami with great joy and enthusiasm. Students dressed up as Lord Krishna and Radha, adding a festive charm to the celebration. The programme included devotional songs, dance performances, and a beautiful presentation depicting the life and teachings of Lord Krishna. The celebration created a joyful and spiritual atmosphere and helped students learn about the cultural significance of Janmashtami.
